My dear best only a day
or two & all feeling well
we shall see you you
will be surprised to
hear that we have taken
a house at the north
pole where we hope to
spend our winter & cheer
my little girl & mother
to spend first so if
you know of any one
coming to London we
do not go with the
11th of Jan^y, if you
have any amount of
civilities or things
